<b>12. DESCRIBE PROPOSED OR COMPLETED OPERATIONS. Clearly show all pertinent details including dates, depths, volumes, etc.</b> This sundry is being submitted as notice that BBC would like to add the Mancos formation to its objective formations. The initial objective completed will be the Mancos formation, followed later by the Wasatch/Mesaverde. Prior to commingling the Mancos with the Wasatch/Mesaverde, BBC will file the necessary permission to commingle. The revised proposed TD is 13,622' and revised drilling plans, directional plans and BOP information is attached. In addition, because the Mancos is not within the participating area, BBC will be setting separate tanks for this proposed well. Two low profile, 300-bbl tanks will be set to hold production for this Mancos well. Please contact Brady Riley at 303-312-8115 with questions.		
Approved by the Utah Division of Oil, Gas and Mining
